

FRONTEND DEVELOPER & WEB DESIGNER

Semalgn Tilahun

Introduction: As a passionate Frontend Developer, I specialize in crafting visually appealing, responsive, and user-friendly websites and applications. With a strong foundation in HTML, CSS, JavaScript, and modern frameworks like React and Vue.js, I am committed to delivering seamless user experiences and innovative solutions. I thrive in collaborative environments and am always eager to stay up-to-date with the latest web development trends and technologies.

Also, I am Civil engineer with over 9 years of experience designing structures and supervising projects for diverse clients.

Early Life and Education: Born in Hosanna, Southern Ethiopia, in 1992, Semalgn demonstrated a flair for civil work in a young age. By 19, he was already joined Hawasa University school of civil engineering.

Semalgn holds a Bachelor's Degree in Civil engineering form HAWASA UNIVERSITY INSTITUTE OF TECHNOLOGY.

Professional Journey:

1. AlphaTech Solutions (2014):

Role: Junior Assistant

At AlphaTech, Semalgn contributed to building efficient engineering solutions for structural analysis collaborating with senior engineers.

2. East Industry Zone. (2015-2018):

Role: Lead Office Engineer

Oversaw a team of 10 site engineers. Under his leadership, there were 4 mega sites in East industry zone, Bishoftu, Ethiopia. With great dedication increase a project progress.

3. AAWSA (2019-2021):

Role: Senior Engineer

Focusing on integrating different project sites and give a software training to build a productive personnel in the field.

Awards & Recognitions:

- **Best Lead Engineer** – Certificate from AAWSA 2020

Certificate:

- Structural analysis: from Alpha Tech Solution, ADDIS ABABA.
- Highway design: from Alpha Tech Solution, ADDIS ABABA.

Hobbies & Interests: Semalgn is a big fan of football. He's big fan of Liverpool football club. Also participates in local football games as a player. In his free time, you can find him playing a piano and listening different music compositions.

Volunteer Work:

He regularly mentors young engineers in engineering application software and has been part of community services like teaching kids.

Testimonials:

- "Semalgn's commitment to pushing technological boundaries is truly commendable. He's a visionary in every sense."
- **Bereket Mulugeta**, Engineer at Zone Water B.
- "Working alongside Semalgn was an enriching experience. His problem-solving skills are unparalleled."
- **Efrem Fikadu**, senior engineer at AAWSA.
